

100th ANNIVERSARY PHYSIOLOGICAL DAYS THE MEETING OF THE CZECH AND SLOVAK PHYSIOLOGICAL SOCIETIES

Dear colleagues, members and friends

I am very honored to cordially invite you on behalf of the organizers to participate at the 100th Physiological Days - the meeting of the Czech and Slovak Physiological Societies. It will be organized by the Czech Physiological Society and the Physiological Institute of the 1st Faculty of Medicine, Charles University at the traditional time (4. – 5. February 2025) and at the traditional place (Albertov 5, Praha 2). I hope that this important anniversary of Physiological days will become another strong motivation to find time and desire to be together again and experience the professionally beneficial and socially pleasant moments.

For the organizing committee

Prof. MUDr. Otomar Kittnar, CSc.
Head of the Organizing Committee

Prof. MUDr. Jaroslav Pokorný, DrSc.
President of the Czech Physiological Society.

Organized by:

Congress Prague s.r.o.

The preliminary programme will be available soon. You may view the program on the websites of both the Czech and Slovak Physiological Society (<https://cfs.lf1.cuni.cz>, www.sphys.sk)
